Hi Dan,

We need some help . can you supply info on Wyoming and FL companies..... date formed, business ID, money balances and transfer info. Greg is garnishing things and freezing things.

Also, can you provide cases Bernie has paid on and nature of suite like that girl Bernie sent pic too.

If George can find those emails Bernie sent to me that would be great. Greg is hitting hard and fast.

The circle of crooks around john..... Can you please list them along with their salary. Any other info you think greg can use to put stern / Bernie down to settle.

Thx

Mike,

You have a deposition scheduled for next Tuesday. Has Compass served you with the subpoena? As a courtesy, I have attached Compass' discovery responses in which they identify you as a person with knowledge. David is reviewing his responses. I will deliver David's responses to you when he gives me his final comments.

Dan,

Dave sent the attached to me. The email leads me to understand that the Board of Directors, comprised of you, Mike, and John, would have to approve employment decisions. This would include Dave's Separation Agreement, which I have attached. I anticipate you drafted it, but I am interested in knowing whether the approval of the agreement would be backed by minutes or whether the three of you approved it informally./

If you have any minutes, can you please provide to me?

Mike,

Would you please send the entire agreement, including the signature pages you sent? John White will, no doubt, claim the pages are fake.

Guys,

This is getting a little nuts.

I need to check with Ralph and alert that Carrie is booked with a tournament. I also need to see if we can do golf the 2nd day 12th instead.

Another back up plan in considering will be to fly to Chicago and have meeting at White Eagle or at our attorney Mitch's place, and include alone visits for the advisory board members

I will advise after speaking to Ralph.

John, the club is closed on Mondays but Tuesday would probably be alright --we need a member in each town/cree but we have enough Tegenetic's investors in the membership to work out the golf. Please let me know so I can make the arrangements. EJQ

Hi Ed,

Wondering if your able to help me. I'm looking for a location to host a Tagaetics outside advisory board meeting of industry leaders. I was thinking your club would be great.

We are looking to have everyone fly in (8 people) and golf the afternoon of June 11th, followed by cocktails and dinner, and an early am meeting on the 12th.

If appropriate could you see if you/I could host the meeting at CCC? It would be nice to introduce you to some of our advisors as well.

Thanks

John
